

PORT ANGELES FUTURE RIDERS 2021 SEASON

As everyone is aware the pandemic has created a very uncertain time. We are striving for transparency in this uncertain time. We are still planning on a season. The season could be cut short or even canceled before it starts. We will only offer full refunds before jerseys are paid for. All water bottles must be clearly marked with the player's name. We may be implementing a modified practice schedule depending on the situation at the time. Once again we apologize for the inconvenience.

We are always striving for positive change in our organization. We will be changing how teams are formed. We will be an age based league to reflect the ever changing safety standards of football. We will still have weight limits on the ball carrier ensuring the safety of the players while still allowing development of individual talents. We will be allowing 12 years olds to participate in our league. The age range will be 4-12. Age cut off being July 31st. We are aware of the need in our community to provide quality football for this age range.

If you are not aware we have a new website. You may download all paperwork off our website. You may register and pay online as well. New is a scholarship form (required for any financial assistance) and sports physical paperwork for your doctor. Please schedule your sports physical in advance of the season, Thank you.

THINGS YOU'LL NEED:

- Copy of birth certificate (required before first game)
- Sports Physical (required before first practice)
- Cleats and water bottle. We have many used cleats
- Registration (ALL) forms filled out and signed
- Registration fee is \$150 for the first family member
- Each additional sibling is \$125

THINGS TO BE AWARE OF:

- New this year is age based teams
- Age cutoff is July 31st
 - 4 and 5 year olds flag football
 - 6,7 and 8 year olds are "C" squad.
 - 9 and 10 year olds are "B" squad.
 - 11 and 12 graders are "A" squad.
